No. 4663/35 CIVIL AND MILITARY STATION, BANGALORE,

Copy MUNICIPAL OFFICE,
Gle DATED 30th July 1935.

From

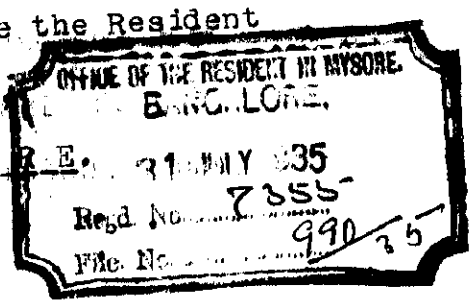
President, Municipal Commission,
Civil and Military Station, BANGALORE.

To

The Secretary to the Hon'ble the Resident
in Mysore
BANGALORE.



SIR.

I have the honour to forward, herewith, a copy of the Municipal Commission's resolution No.3, dated the 25th July 1935, regarding the taking over by them of the Methodist Mission School, Artillery Lines, and to request that the Hon'ble the Resident may be pleased to accord sanction to the expenditure involved during the current year, viz. Rs.2,680/- (Recurring charges Rs.1,680/- and Non-recurring charges Rs.1,000/-) being met from the closing balance for 1936-36. The figure is based on the details given in the enclosed statement, the recurring charges having been calculated for a period of 7 months (August 1935 to February 1936).

2. The Commission decided to take over the Institution on the recommendation of the Inspector of Schools, with reference to the letter dated the 18th June 1935 from the Mission Authorities to him (vide copies enclosed). The institution caters to the needs of the children of the residents of R.H.A.Bazaar Lines. These people have been petitioning the Commission for the opening of a Municipal School in the locality, but the proposal was not considered by the Commission in view of the existence of the Mission School. Now that the Mission Authorities are closing down the school on account of financial stringency, it is necessary for the Commission to take over the institution under their management in the interests of the children of the locality.

3. I understand that the building in which the school is located belongs to the Military, for which a rent of Rs.30/- per mensem is charged. I am asking the Military Authorities to

(OVER....

to exempt the Commission from payment of the rent or to give another suitable building free of rent. If the Military Authorities agree, then the recurring expenditure would be reduced by Rs.360/- per annum.

4. In anticipation of the Resident's sanction to meet the expenditure from the closing balance, I am arranging with the Inspector of Schools to take over the institution under Municipal management.

I have the honour to be,

Sir,

Your most obedient servant,

PRESIDENT, M. C.

Letter dated 18-6-35, from the Rev. E. C. Horler, Correspondent, Methodist Mission Schools, Bangalore, to the Inspector of Schools, Coorg and Bangalore.

You will remember that in conversation I told you that we were compelled to look for ways of reducing our expenditure on Education, and that as we were now being compelled to pay rent for the building in which we have been conducting a school in Artillery Lines it would seem that we should have to close that school.

I am writing to say that we are reluctantly bound to take that step, and that we shall close the school from the end of July.

You told me that the Municipality were contemplating opening a free school in that neighbourhood. Would it not be possible for them to take over this school? If so, I should be very grateful if the present staff, which is trained, could be taken over also.

You will realise that we regret having to take this step, but we are compelled by financial stringency to do so..
